Terms and Conditions

A contract is 12 consecutive months. Advertisers not under contract will be charged the 1x rate. Short rates or rate adjustments will be billed upon cancellation of contract or failure to fulfill contract for any reason. Rates are subject to change upon notice from the publisher. Duration of contract rate protection will be extended to advertisers who specify all insertion dates at time space order is accepted by publisher. If for any reason a rate protected contract is cancelled or curtailed, the advertiser will be required to refund to the publisher the difference between the protected rate and the new rate, on all insertions which were published after the new rates took affect. The publisher reserves right to hold advertiser/agency liable for money that is due and payable to the publisher for ordered and published advertisements. Requested ad positions are not guaranteed unless contract specifies a special position at additional cost. Publisher is not liable for delays in delivery or nondelivery of publication due to factors beyond control of the publisher. Publisher is not liable for any costs or real or consequential damages resulting from failure to print an advertisement, or appearance of errors in a published advertisement. No conditions other than those stated in this rate card and publisher's contract will be binding on the publisher unless specified in writing by the publisher. The publisher will not be bound by conditions printed or appearing on order blanks or copy instructions that conflict with this rate card.

*A 15% discount on display advertising will be given to recognized advertising agencies if paid within 30 days of invoice date.

File Formats

High-resolution PDF files are the preferred format. Ads should be submitted as press-ready PDF files. Please ensure that all fonts and/or images are embedded.

Native Files: Ads may also be submitted as native files using recent versions of Adobe InDesign, Adobe Illustrator or Adobe Photoshop files. All supporting logos, images, graphics and fonts used in the ad must be included with the file. If font files cannot be provided, type must be outlined/rasterized before sending.

Color

All colors must be CMYK. Total ink density should not exceed 300%.

Pantone (PMS) colors and metallic ink need to be converted to CMYK color mode.

Resolution

All images and logos must have a minimum resolution of 300 dpi (1200 dpi for bitmap graphics) at 100% print size.
